Declaration of Waste Electrical and Electronic Equipment Compliance Statement

Producer Registration Number: WEE/DS4372YC

As a supplier of electrical and electronic equipment, Sensotek Ltd. has a clear and compliant approach to its responsibility in regards European Union's Waste Electrical and Electronic (WEEE) Directive.

All products that are subject to the WEEE Directive, supplied by Sensotek Ltd are compliant with the WEEE marking requirements. Such products are marked with the 'crossed out wheelie bin' WEEE symbol in accordance with European Standard EN 50419.

This symbol on the product, or its packaging, indicates that the product must not be disposed of with other household waste. It is the responsibility of the customer to dispose of waste equipment by handing it over to a designated collection point for the recycling of waste electrical and electronic equipment.

Customers may return products to Sensotek Ltd for recycling or disposal. To avail of this, please see contact information at www.sensotek.com.

Before return, all removable batteries must be removed and disposed of in accordance with local regulations and best practices for environmental protection.
